ALLOWANCE

1. Claims 1-30 are allowed.

2. **The following is an examiner's statement of reasons for allowance:** (1) Applicant has filed Terminal Disclaimer, therefore claims 1, 13, and 22 are allowed. (2) Prior art of record does not teach nor render obvious the overall claimed combination of a nebulizer with (a) a movable diverter located in said chamber and spaced from said gas outlet and said liquid outlet by a variable height nebulizing gap, wherein said movable diverter is movable between a nebulizing position and a non-nebulizing position (claim 1); (b) movable gas diverter biased by a biasing member to an initial position, wherein said movable gas diverter is movable from said initial position to a predetermined distance from said gas outlet in response to a force from an inhalation of a patient (claim 13). (c) a movable diverter movable between a nebulizing position and a non-nebulizing position in response to a force of an inhalation through said chamber air outlet (claim 22).

Therefore, the invention defined in claims 1, 13, and 22 is considered novel.
